NOTES TO THE FINANCIAL STATEMENTS

for the financial period ended 31 March 2025

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the financial statements.

Currency

The financial statements have been presented in the Euro (€) which is also the functional currency of the business.

Basis of preparation

The financial statements of IXP Manager Sponsorship Program for the financial period ended 31 March 2025 are confined solely to IXP Manager Sponsorship Program's Investment Business Activity.

Accounting convention

The accounts are prepared under the historical cost convention modified when necessary to include the revaluation of certain fixed assets.

Tangible fixed assets and depreciation

All tangible fixed assets are initially recorded at historic cost. Depreciation is provided on all tangible fixed assets, other than freehold land at rates calculated to write off the cost or valuation less estimated residual value of each asset over its expected useful life, as follows:

Fixtures, fittings and equipment	-
----------------------------------	---

The residual value and useful lives of tangible assets are considered annually for indicators that these may have changed. Where such indicators are present, a review will be carried out of the residual value, depreciation method and useful lives, and these will be amended if necessary. Changes in depreciation rates arising from this review are accounted for prospectively over the remaining useful lives of the assets.

Foreign currencies

Monetary assets and liabilities denominated in foreign currencies are translated into Euro at the rates of exchange prevailing at the accounting date. Transactions in foreign currencies are recorded at the date of the transactions. All differences are taken to the Income and Expenditure Account.
